Speech & Language Summer Packet

Wow! We've had a great year in speech and language therapy. I'm so proud of all of my students and their growth. Now that it is summer time, I want to continue to work on increasing your child's communication skills. I've prepared this *Word of the Week Program* for you to implement this summer.

Word of the Week Program

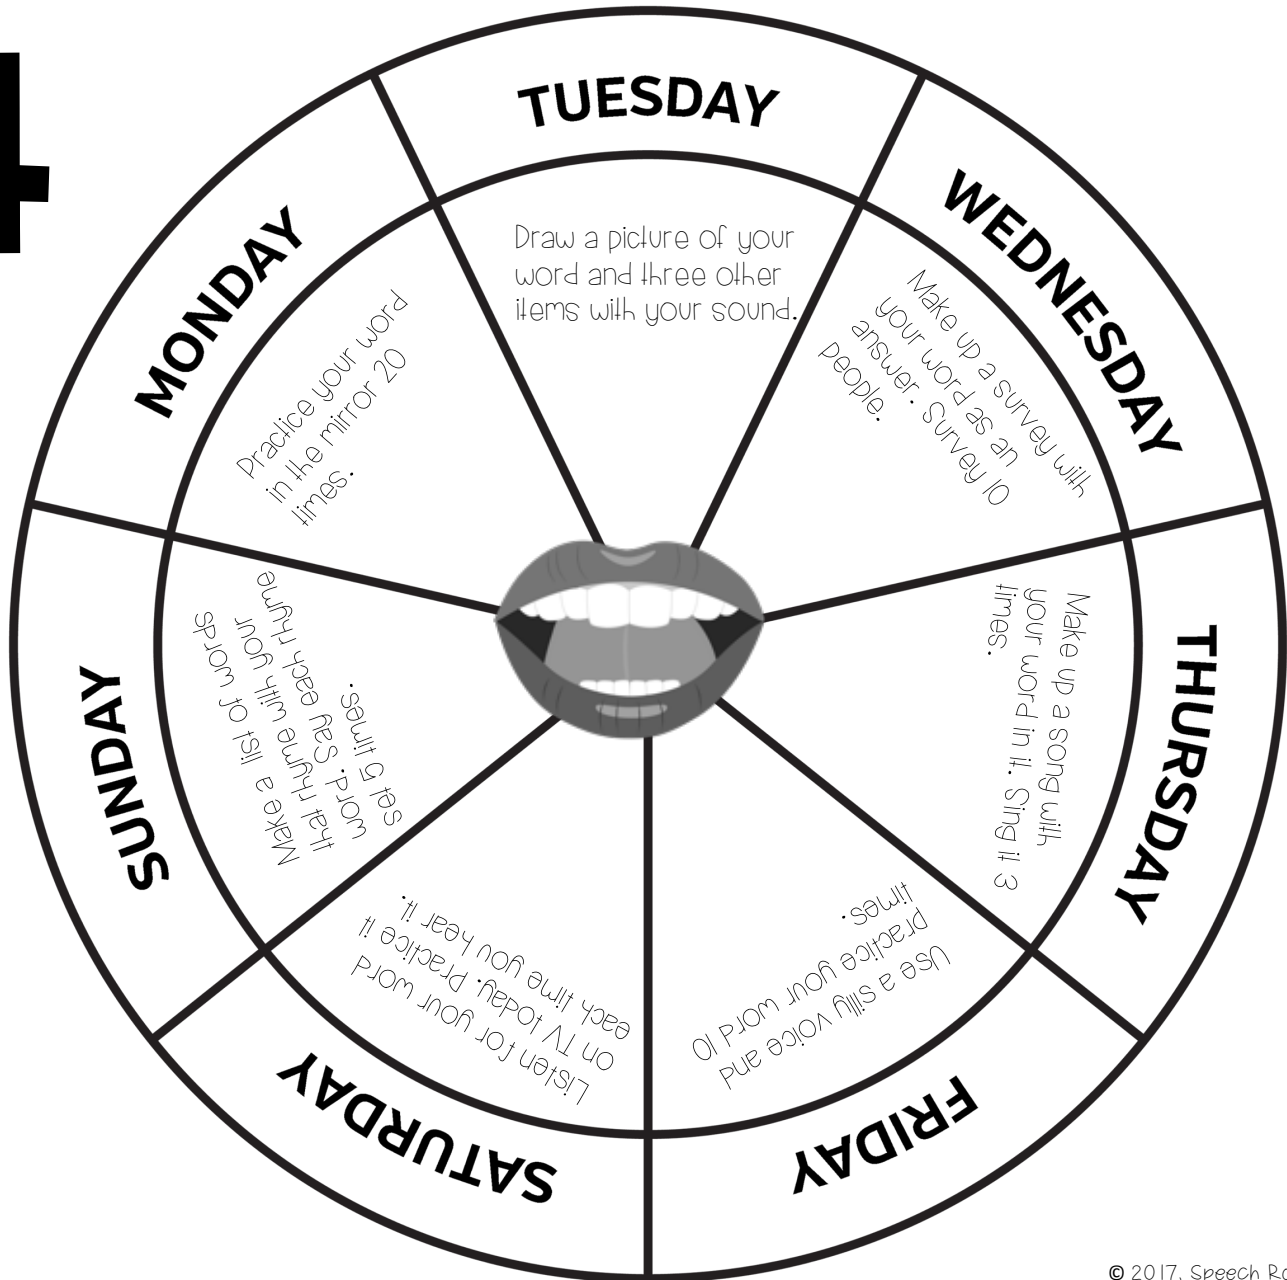

Directions: See the attached activity sheet that is aligned to your child's specific goal(s). The best way to see progress is to practice a little bit every day. This program is designed to give you a three minute activity to complete each day. Pick a word/skill from the bottom of the sheet and practice it each day. When the week is over, remove it from the bottom of the page.

Have a safe and happy summer break.

Summer Word of the Week

Directions: Each week, pick a word at the bottom of the page to practice. Each day, do the assigned task. At the end of the week, tear off the word from the bottom of the page. Practice your sounds every day for 12 weeks!
